RE: Dominion Energy South Carolina, Incorporated's 2023 Integrated Resource Plan (IRP)
Docket No. 2023-9-E

Dear Ms. Boyd:

Enclosed for filing in the above-referenced docket, please find the Direct Testimony and Exhibits of the following witnesses for the South Carolina Office of Regulatory Staff ("ORS"): Anthony M. Sandonato, Philip Hayet, and Leah J. Wellborn.

The Exhibit to the Direct Testimony of Anthony M. Sandonato contains material that Dominion Energy South Carolina, Inc. ("DESC") labeled as confidential during the discovery process, and ORS redacted that information in the public version of the testimony in accordance with S.C. Code Ann. § 58-4-55. Although ORS does not necessarily concede that the identified information is confidential and reserves the right to challenge the confidential designation as it may deem appropriate, ORS requests that the Public Service Commission of South Carolina ("Commission") maintain the Confidential Exhibit as confidential unless or until the Commission rules such information is not entitled to protection from public disclosure or DESC agrees that such information is no longer confidential or proprietary.

Sincerely,

s/ Christopher M. Huber
